### Eriez® Earns Award for Exemplary Leadership Exporting Products to Chile

Left to Right: Carol Z. Perez and Tim Shuttleworth

Erie, PA—U.S. Ambassador to Chile Carol Z. Perez presented **Eriez®** with the Export Leadership Award during **Expomin 2018** in Santiago, Chile. This prestigious award recognizes Eriez' exemplary leadership in exporting U.S.-made products and services to Chile.

"Eriez has exported products to Chile since the 1950s," says Eriez Export Sales Director Andrew Goldner. He adds, "While the majority of the products we export to Chile are used mainly in the mining industry, we also supply Chilean companies with equipment utilized in food processing, pulp and paper, plastics, cement, pharmaceuticals and pet food applications."

Headquartered in Erie, Pennsylvania, Eriez has 12 manufacturing facilities strategically located throughout North and South America, Asia, Europe, Africa and Australia. Eriez President and CEO Tim Shuttleworth says, "When exporting products abroad, our global team works together to ensure compliance with laws and regulations while maintaining the absolute highest standards for product quality." He adds, "We are proud and honored to receive the Export Leadership Award and look forward to continuing to deliver superior products to our customers in Chile and around the world."

Eriez is recognized as world authority in separation technologies. The company's magnetic lift and separation, metal detection, fluid filtration, flotation, materials feeding, screening, conveying and controlling equipment have application in the process, metalworking, packaging, plastics, rubber, recycling, food, mining, aggregate and textile industries. Eriez manufactures and markets these products through 12 international facilities located on six continents. For more information, call (814) 835-6000.
